Dual Presidency

1,steeped in Godshit
who choreographs tragic
ceremony by informing

the Almighty
is not questioned,since
none can understand,thus

what is remains
what should be. Total-

ly marvelous scheme long
advocated by wealth,and
illuminating loss

of wife,husband,friend,lover,
left ball or right breast.

Executive 2? Thorough-
ly pragmatic politician
surrounded by competents.

Sans God,since that tox-
icity proves enough of a tonic
for 1 and his pious geese.
